

PRODUCT INFORMATION

SUPER RADIATOR SEALER

CODE C2016

PAGE 1 of 1

DATE January 2008

FUNCTION AND APPLICATION: Seals radiator leaks quickly without clogging system.

OUTSTANDING PROPERTIES: Exclusive free-flowing non-clogging formula, seals larger leaks where others fail. Not only effective for sealing existing leaks but also for preventing leaks if added to radiator when coolant is changed. Requires no draining or flushing. Contains a rust inhibitor to retard formation of rust or corrosion. Harmless to all metals, hoses, gaskets or any part of the cooling system.

USE DIRECTIONS: *IMPORTANT:* Water in the radiator must be sufficient to cover core and tops of circulating tubes before adding sealer. Do not pour on hot radiator core. If radiator is dirty or partially clogged, clean with SOLDER SEAL®/GUNK® Super Radiator Flush or Super Heavy Duty Radiator Cleaner as required. 1) Remove radiator cap and start engine. 2) With engine at operating temperature and heater at highest setting, SHAKE JUG THOROUGHLY and pour contents into radiator. (Use 1/2 jug for radiators less than 9 quarts.) 4) Replace radiator cap and run engine at fast idle until leak stops. Run engine for an additional 5 to 10 minutes to insure a complete seal. If leak re-occurs, mechanical repair may be necessary.

PRECAUTIONS: Contains Sodium Borate Decahydrate (CAS# 1303-96-4). May cause eye or skin irritation. Harmful if swallowed. **FIRST AID:** In case of eye contact, flush with running water for 15 minutes while lifting eyelids and get prompt medical attention. For skin contact, wash thoroughly with soap and water. If swallowed, drink 2 glasses of water. **DO NOT INDUCE VOMITING.** Call Poison Control Center, Physician, or Hospital Emergency Room Immediately.

STORAGE & HANDLING: Store in a cool place below 120°F away from acids, ignition sources and oxidizing agents. **KEEP AWAY FROM CHILDREN AND ANIMALS.**

DISPOSAL: Dispose of container, residue, and excess product in accordance with all federal, state, and local laws and regulations.

CONTAINER DESCRIPTION: 15 fl. oz. plastic jug.
