

PRODUCT INFORMATION

ZERO V.O.C. ENGINE BRITE® ENGINE DEGREASER

CODE: EBZ14

PAGE: 1 of 1

DATE: May 2008

FUNCTION AND APPLICATION: Removes grease and grime from auto, power mower, marine and tractor engines, metals, concrete and tires, industrial equipment where water is permitted.

OUTSTANDING PROPERTIES: Formulated to help reduce adverse environmental characteristic. This product uses a more environmentally responsible formula that contains no Volatile Organic Depleters or chlorinated solvents. Clean engines run cooler and look newer.

USE DIRECTIONS: 1) Engine must be off and cool. 2) Cover distributor, wiring, electronic components, carburetor, and air intake systems. Care must be taken with all underhood wiring and electronic sensors or components. Minimize rinse water that can cause performance problems. Exposed electrical conductors (cracked or frayed wires or EC unit) can short circuit. 3) Shake well and apply to dry engine. Wipe any overspray from exterior body surfaces with a wet cloth at once to avoid dewaxing or streaking paint. 4) Allow EBZ14 to soak for 15 minutes (brush unusually heavy deposits). 5) Rinse with a fine stream of water from top down. SAFEGUARD OUR ENVIRONMENT...USE THE MINIMUM AMOUNT OF WATER NECESSARY and see Disposal Statement below. 6) When complete, remove all covers and replace any removed parts. Start engine immediately and idle for 15 minutes to assure complete drying.

PRODUCT LIMITATIONS: Rinse oversprays from exterior body surfaces immediately to avoid dewaxing or streaking paint. Avoid use of EBZ14 on rubber tile, asphalt, black top or other surfaces affected by petroleum solvents.

PRECAUTIONS: Contains (CAS#) Aliphatic Petroleum Distillate (proprietary), parachlorobenzotrifluoride (98-56-6), glycol ether (25498-49-1), surfactant blend

(proprietary) and carbon dioxide (124-38-9). Harmful or fatal if swallowed. Avoid contact with eyes and skin. Use only in a well-ventilated area. Deliberately inhaling concentrated vapors can be harmful or fatal.

FIRST AID: If ingested, do not induce vomiting. Call Poison Control Center, Physician, or Hospital Emergency Room Immediately. For eye contact, flush with water for at least 15 minutes while lifting eyelids and get prompt medical attention. For skin contact, wash with soap and water. If irritation persists, get prompt medical attention. Inhalation: If breathing becomes difficult, get prompt medical attention.

STORAGE & HANDLING: Use in a well-ventilated area. Store in a cool place, under 120°F. Keep away from heat, sparks or flame. Do not puncture or incinerate container. Do not expose container to electrical connections or battery terminals as it may cause the container to rupture and result in serious injury.

DISPOSAL: SAFEGUARD OUR ENVIRONMENT.... Disposal of rinse water in water courses, sewers, or on the ground may be prohibited. Such disposal is prohibited in California. Proper disposal includes collecting and evaporating the rinse water and recycling or disposal of any residue in accordance with all local, state and federal laws and regulations.

KEEP AWAY FROM CHILDREN AND ANIMALS.

CONTAINER DESCRIPTION: This product is available in 14-oz. aerosol.
