

# PRODUCT INFORMATION

**TRANS-FUSION®  
AUTOMATIC TRANSMISSION FLUID &  
SEALER**

**CODE: M1412,  
M1432**

**PAGE: 1 of 1**

**DATE: 1/24/2008**

**FUNCTION AND APPLICATION:** To stop and prevent leaks in automatic transmissions by controlled softening of seals. Mixes with ATF and will not injure any parts. Helps reduce or eliminate noise, grinding and slippage. Helps to "revive" sluggish transmissions.

**OUTSTANDING PROPERTIES:** One use product will stop simple automatic transmission leaks.

**USE DIRECTIONS:** Check transmission fluid level as indicated in owners manual. If the addition of TRANS-FUSION® would result in over-fill; drain out sufficient fluid to permit introduction of product. Add only one quart to a transmission. Ideal for use during fluid/filter changes.

**PRODUCT LIMITATIONS:** If leak, noises or slipping persists, the need for mechanical attention is indicated.

**PRECAUTIONS:** Contains (CAS#) Naphthenic Oil (64742-52-5), aromatic petroleum distillate (64742-95-6), heavy paraffinic distillate (64742-54-7), light paraffinic distillate (64742-55-8) and chlorinated paraffin (63449-39-8). Combustible. Harmful or fatal if swallowed. Eye Irritant. Prolonged skin exposure may cause irritation. Vapors may be harmful. **FIRST AID:** If swallowed, do not induce vomiting. Call Poison Control Center, Physician, or Hospital Emergency Room Immediately. For eye contact, flush thoroughly with water for 15 minutes while lifting eyelids and get prompt medical attention. For skin contact, wash thoroughly with soap and water. If irritation persists, get prompt medical attention. For inhalation, move to fresh air immediately. If breathing becomes difficult, get prompt medical attention. See M. S. D. S. for more information.

**STORAGE & HANDLING:** Store in a cool place, below 120°F away from oxidizing agents and ignition sources. **KEEP AWAY FROM CHILDREN AND ANIMALS.**

**DISPOSAL:** Dispose of container, residue and excess product in accordance with all federal, state and local laws and regulations.

**CONTAINER DESCRIPTION:** Packaged in 12 fl.oz. (354 mL) and 32 fl.oz (946 mL) E-Z Pour plastic bottle.
